Join us on a 5 day journey to the northern frontier town of Churchill, Manitoba - often referred to as the Polar Bear Capital of the World. We'll have stopovers in Winnipeg each way before heading north to the edge of Hudsons Bay! This hotel-based adventure offers the excitement of polar bear viewing from a Tundra Buggy®, and the opportunity to take in the eclectic charm of this remote northern town. The Tundra Buggies are all-terrain vehicles specially designed for the northern landscape, which will enable us to get out to the best locations in the Churchill area to safely experience wildlife. You will also have the opportunity to race through the boreal forest with a local dog musher and team of enthusiastic sled dogs by partaking in the traditional northern sport of dog sledding. This tour includes all flights, airport transfers, accommodations, 4 breakfasts, 2 lunches & 1 dinner, two tundra buggy wildlife drives, local guides, and the services of a Lakeshore/Cardinal Coach Tours escort! Home to Canada's most iconic wildlife, the town of Churchill is a must-visit destination for those who seek an authentic Canadian adventure!
