Day 8 - August 15, 2023 | Cruise Hubbard Glacier (B, L, D)

Today is a day at sea packed full of spectacular scenery. Get up close and personal with the gigantic Hubbard Glacier, North America's largest tidewater glacier. It's 1350 square miles of blue ice and one of the most active in Alaska. You won't want to leave the deck as you cruise through this incredible part of the world, but if you so choose, opt to visit the onboard spa, swim in the pool or take part in the many entertainment activities planned each day!

Day 9 - August 16, 2023 | Icy Strait Point, Alaska (B, L, D)

Today we will venture "where the north wind doesn't blow." Known for this famous saying, Icy Strait Point is the ideal landing spot for adventurers seeking a new experience. Breathtaking and exciting, Icy Strait Point truly takes you where the wild things are. It's one of the few places in the world where wildlife outnumbers the human population. Today we'll enjoy Alaska's awe-inspiring scenery and the many excursion options that NCL has to offer.

Day 10 - August 17, 2023 | Endicott Arm & Dawes Glacier Cruising (B, L, D)

Today we'll make our way to Juneau - home to unparalleled glacier viewing. Visitors come from all over the world to see the magnificent Dawes Glacier. Our ship will turn into the glacially carved fjord of Endicott Arm. This 31-mile fjord will take your breath away with its sheer granite walls, plunging waterfalls and spruce and hemlock trees clinging to the steep sides. Keep an eye open for bears, mountain goats and whales, too. As we approach Dawes' glacier, have your camera ready and listen for thunderous cracks as this glacier recedes daily causing huge chunks of ice to plunge into the sea. At 600 feet tall and a half-mile wide, this blue-hued glacier may be the highlight of your Alaska cruise!

Day 11 - August 18, 2023 | Skagway, Alaska (B, L, D)

In a single year from 1896 to 1897, this remote town along the Inside Passage grew from a few tents to a city of 20,000 gold seekers. Today, travellers come in search of other riches - to experience yesteryear along Skagway's charming boardwalk lined with buildings that replicate those Gold Rush days. Opt to take a ride on the White Pass Railway today, walk the town or just relax on the ship!

Day 12 - August 19, 2023 | Ketchikan (Ward Cove), Alaska (B, L, D)

Ketchikan in the local indigenous language means "spread wings of the eagle." Chances are you'll see one of these magnificent birds perched atop a Sitka tree.
