The Dolphin Beach Resort, St. Petes Beach Accommodation & Pricing

Our home away from home in St. Petes Beach will be the Dolphin Beach Resort located on the shores of the Gulf of Mexico. The comfortable oversized hotel rooms feature a small refrigerator, microwave & coffee maker, cable TV and daily housekeeping. **Please note that these are hotel room units and not full efficiency units. As such, the rooms are NOT equipped with dishes and cutlery.** On the grounds you will find beautiful gardens, a large heated swimming pool, a private sundeck and a 400 foot private beach - not to mention the beautiful sunsets each evening across the Gulf of Mexico. In addition to the Boca Sands Grille and Flipper's Beach Bar you find many restaurants within walking distance and a very convenient plaza directly across the street for all your needs.

The Dolphin Beach Resort offers three room types - Standard Rooms (street view), Poolview Rooms (rooms with or without balconies or patios** overlooking the pool) and Gulfview Rooms (all units have balconies or patios that overlook the white sand beaches of St. Petes). **** Please note that not all Poolview rooms have a patio or balcony and although we do our best to honour your request, it will depend upon space at the Dolphin Beach Resort when we check in.**

Our tour will include 4 continental breakfasts on the days travelling to and from Florida. Breakfast is available to purchase at the Dolphin Beach Resort. We will have access to our motorcoach to take advantage of many unique day excursions Florida's Gulf Coast has to offer!
