Welcome Aboard! Our fall adventure will take us to one of the most beautiful places in Northern Ontario, Sault Ste. Marie. The next day, the Agawa Canyon Tour Train will transport us 114 miles north of Sault Ste. Marie, over towering trestles, alongside pristine northern lakes, through granite rock formations and vast forests of the Canadian Shield. On our third day we will drive through spectacular fall colours and amazing landscapes, through natural attractions, and will then stop for incredible photo opportunities along the way to Sudbury. First, we will visit the Trading Post hoop in Espanola before we head to Science North, an ever-popular interactive science museum that is shaped like two snowflakes. We will then head into the heart of Sudbury and will view the beautiful murals, including the Alex Trebek mural, featured on the high school that he once attended. The Big Nickel and the Stompin' Tom Connors statues are a must see while visiting the city. On our final day while driving home, we will stop at the Mariposa Market in Orillia to satisfy our sweet tooth and bring home some tasty treats. This tour is truly a Canadian one.

You will experience the majestic countryside in all its fall colours and splendor.
